This summons for a written resolution (the “**Summons**”) is hereby issued at the request of the Issuer.

**1. BACKGROUND**

The Company has successfully completed its well repair and pulling campaign in Colombia, which resulted in improved well performance and an increase in production levels, notably marked by the successful downhole intervention of the Vikingo-1 well. Satisfaction of social commitments associated

with continuing operation, additional improvement in assets condition, and the payment of income taxation, among other matters, continue to require the Company to secure availability of sufficient financial resources for its Colombian operation.

In turn, in Argentina the Company is intensifying its efforts to optimize operations in the mature oilfields of Santa Cruz and Chubut provinces. This includes targeted interventions aimed at maximizing production efficiency, maintaining asset integrity, and fulfilling the social and environmental commitments tied to ongoing field activities. These initiatives require a sustained investment program.

In order for the Company to continue to pursue its operating and financing initiatives, the Company wish to settle the full interest payment on the Bonds falling due on 31 July 2025 (the "**July Interest Payment**") in kind by the issuance and delivery of additional Bonds ("**July PIK Bonds**") with terms and conditions substantially equal to those of the Outstanding Bonds.

The July PIK Bonds to be issued as full settlement of the July Interest Payment will carry the same interest rate as the Outstanding Bonds at a rate of 8.50% per annum from, and including, the date of issuance of the July PIK Bonds and mature at the Maturity Date. Should the Proposal (as defined below) be adopted too late for the Issuer to be able to pay the July PIK Bonds on 31 July 2025, the payment to the Bondholders shall be made as soon as practically possible following Bondholder approval, and it will not accrue any interest for late payment due to such delay.

In addition, the Company kindly request a waiver of the requirement in (i) Clause 13.2.1 paragraph (c) of the Bond Terms to publish its Financial Statements for year 2024 on its website within 120 days from the end of its financial year and (ii) Clause 13.2.1 paragraph (d) of the Bond Terms to publish its Interim Accounts for Q1 2025 on its website within 60 days after the end of Q1, as both the Financial Statements for year 2024 and the 2025 Q1 Interim Accounts has been published later than the stipulated 120-day and 60-day deadlines.

Furthermore, the Issuer intends to initiate formal discussions with Bondholders during the second half of 2025 to evaluate and consider potential alternatives that ensures the Company's continued development and seek a solution that is acceptable to stakeholders.

All of the foregoing pursuant to the Proposal are set out in detail in section 2 below.

## 2. PROPOSAL

In accordance with clause 16.2.1 of the Bond Terms, the Issuer has approached and instructed the Bond Trustee to issue this Summons in order for the Bondholders to consider, approve the Issuer's proposal as set out below (the "**Proposal**"):

- (a) *The Bondholders consent to the settlement of the July Interest Payment in kind by issuance and delivery of the July PIK Bonds.*
